

'Growing & Learning in Christ through Faith, Family & Friendship'

# Holy Trinity CE Primary School

1st December 2023

## This Week...

As we 'speed' into Advent, we have so much going on in school over the next few weeks and into the New Year. You should have received a letter about our annual Pantomime visit in January so please get your permission slips signed and returned to school. Next Friday we will be celebrating Save the Children Christmas Jumper Day. Please send your child in wearing a Christmas jumper (or similar!) Could I also ask that you make a donation of £1 so we can raise some money for this worthwhile charity. You'll be helping children facing serious issues like war, hunger and poverty.

Also, we are in the process of needing our Admissions Arrangements consulted upon as we have not done this for some time. A copy of this can be found on our school website where it will be available during the consultation period for six weeks. After this date, this will be our determined arrangements for admissions. Thank you for your continued support.

Have a lovely Weekend! Mrs Whitaker

## God's Big Question

Can we have happiness without sadness?

## Gymnastics Report

In Year 3, Skylar, Amelia, Matilda and Skyla-Rose Khan went to a gymnastics event at the Best Centre. We all had lots of fun and we went on the trampoline, bars, pit and a bit of floor work. We all know it was just for fun. We tried our best at the competition. It was a very good afternoon.

## Playtime Snacks.

As you will be aware, we provide our KS1 children with a piece of fruit for snack time every day along with their milk, however we do ask that if KS2 children wish to have a snack that they bring a piece of fruit in from home.

Could I please therefore remind parents and carers that we only allow a piece of fruit to be brought from home and not cereal bars or other snacks. We also provide every child with a Holy Trinity water bottle, which is filled up with water by staff at the start of every day. As we are a healthy school, we do promote healthy eating as much as possible— except Christmas! Your support with this would be much appreciated.

### Thought for the Week....

This week we talked about God having a plan for us all.....

### Pools to Schools Programme

Your child should have brought a letter home this week with regard to this programme and the pool which we are having installed. Please ensure you return your permission slip back to school as soon as possible so we can start to draw up a timetable. Once we have finalised all the details, we will let you know before the end of term. We have seen this work in a number of schools and are happy that this will be a great success! If you do wish to find out more, please speak to Mr Little.
