

'Growing & Learning in Christ through Faith, Family & Friendship'

Holy Trinity CE Primary School

15th March 2024

This Week...

There has been a lot going on in school this week with it being Science Week and Comic Relief Day. We started the week with a Science Show for both Key Stages which the children and staff particularly enjoyed and they have been taking part in special science lessons all week in class. Also, don't forget to get your Science selfies sent into Miss Hines!

We finished the week with a colourful Red Nose Day. As always, thank you for your generosity for this worthwhile cause.

Year 3 also went along with Outdoor Elements to Scott Park where they took part in orienteering activities and learnt about map work and co-ordinates.

On Thursday this week, Years 3 and 5 went along to King George's Hall in Blackburn to perform in the Let's Go Sing Concert. The children were not only exceptionally behaved, but sang their hearts out. It was wonderful to see them perform on stage in front of a live audience and I am sure for those of you that went, you were really proud of the children too. Most importantly, they had fun and had an amazing time.

God's Big Question

Is it more important to be liked or respected?

PE Kits

We currently have a number of children in school with no PE kits. Could I please remind parents that ALL children need a PE Kit in school. Our PE uniform consists of a white t-shirt, black shorts, white socks and black PE pumps. These must be kept in school in a pump bag at all times

ready for use. If you have a problem accessing any of these items, please do speak to us at school and we may be able to help.

Easter Egg Competition

This year the Worship Ambassadors are holding an Easter Egg competition in school. The children have been asked to decorate a hard boiled egg and bring it into school ON Monday 18th March. We have two very special prizes for both Key Stage winners, kindly donated by Halfords by one of our mums.

Let's see how 'egg-citing' you can make your entries! Good Luck!

Online Safety Workshop

On Monday 25th March we have arranged, along with other schools, an online workshop led by a consultant from the authority. The session will begin at 4:15pm and last approximately an hour and a quarter. A letter should have come home with your child this week with more information on the content of the session and how you can access it. It would be really good if as many parents as possible attended as there will be some valuable information which will hopefully keep you informed and up to date.

Thought for the Week....

The scientist is not a person who gives the right answers; he is one who asks the right questions.

— Claude Lévi-Strauss
(French Anthropologist)

This week was Science Week in school. Miss Hines led worship on what it is like to be a super scientist!

Attendance

Don't forget school starts at 8:55am. Please ensure you are on time!
