# Holy Trinity CE Primary School

## This Week...

Well this term has been going at some speed and we find ourselves four school days away from Easter.

I hope you all managed to attend parents evening this week and feel more informed about how your child is progressing and settled within their year groups. It was lovely to see so many of you and thank you to those of you who filled in our 'flourishing statement.' It was nice to read your positive comments about how you feel your child is flourishing at Holy Trinity in line with our school vision statement. If you didn't manage to fill one in and you would like to, there are more copies available in the school office.

Thank you for all the fabulous entries in our Easter Egg Competition, they certainly were amazing, every one of them. Reverend Kat had the unenviable task of choosing a KS1 and KS2 winner which proved very tricky. However, the winners on this occasion were Phoebe Doe, Skyla-Rose Khan, Ava Jolly, Baine Ormonde, Olivia Birkett, Sophie Spencer & Libby Colliston who all won an Easter Egg and Skyla & Phoebe won a bike donated from Halfords. A big well done from us all!

Have a lovely weekend, Mrs Whitaker

## School Parking

Could I please remind those parents who park around school to park considerately and safely? As you are aware drop off and pick up times are extremely busy and many children and parents are about. It has come to my attention that a child was nearly knocked over last week as someone was reversing onto Raglan Road. We do need to drive with due care and attention but this is made a little more difficult if people have parked inconsiderately. Thank you also for not parking on the yellow zig zag lines as most parents are aware of the dangers of this. Let's keep our children safe!

## Online Safety Workshop

On Monday 25th March we have arranged, along with other schools, an online workshop led by a consultant from the authority. The session will begin at 4:15pm and last approximately an hour and a quarter. A letter should have come home with your child this week with more information on the content of the session and how you can access it. It would be really good if as many parents as possible attended as there will be some valuable information which will hopefully keep you informed and up to date.
