

'Growing & Learning in Christ through Faith, Family & Friendship'

Holy Trinity CE Primary School

12th July 2024

This Week...

As we approach the final week of term, we have had so much going on in school. Our KS2 Production was a great success with many of the children coming back to support Year 6 for the evening performance and much enjoyment was had watching Year 6 perform. They were a credit to you, themselves ...and us as they were so confident and gave a great performance and more importantly made us laugh. We also managed to squeeze in Sports Day where the children had a great deal of fun whilst supporting one another as a team. It is always so lovely to watch our older children take charge and support the younger ones at whole school events like these. The parents race was VERY entertaining with quite a few falls and tumbles ...but well done you supported your children and they were very proud of you! All our year groups have now visited Beach School at Lytham, please see overleaf for a little update. Today, we have held our Awards Afternoon in school, with many children receiving awards for super learning, being a good friend and sustained effort throughout the year. We also look forward to our Leaver's Worship next week....tissues at the ready!

I will be sending an end of term letter with some more information next week, so please check your child's book bag.

FAMILY ACTIVITY DAY

Wednesday 28th August 2024
10.30 - 2.30

Come as a family to Whalley Abbey for a day of games, storytelling and craft, as well as an opportunity to learn more about this incredible historical site.

£2 per family

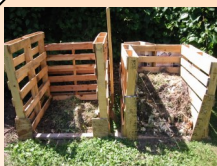

www.whalleyabbey.org

If you are looking for something to keep yourselves occupied during the holidays and you can get to Whalley Abbey, you may want to experience their Family Activity Day.

God's Big Question

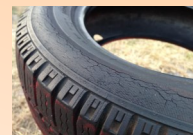

If you could choose one thing to change about the world what would it be?

OPAL Playground

We are delighted to have begun this journey with OPAL and the children have been thoroughly interacting and enjoying themselves. We hope you enjoyed looking at some of the photos on Facebook of the children engaging with the equipment and we have also already noticed numbers of accidents and fall outs decreasing rapidly. We will keep you updated as we learn more and make progress with this scheme. If you wish to find out more, please visit the link below:

Uniform Policy

If you wish to have your child's ears pierced this summer, could I please ask you to get this done as soon as we break up. This will allow for 6 weeks of healing time so that your child should be able to remove their earrings ready for our return to school in September.

Could I also remind parents that acrylic nails **ARE NOT** school uniform and no child should be wearing these for school whether you have a holiday planned or not. These are against school policy and for health and Safety reasons should not be worn in school. Thank you for your support.

Beach School

All our year groups have now attended Beach School at Lytham and I am happy to report that everyone had a fabulous day. I hope you have seen our Facebook photos. We have experienced all four seasons on our respective days, sunshine, rain, gale force winds but thankfully no snow! The children have had a wonderful time and one child in Year 2 told me 'it was the best day of his life!'

Attendance

Don't forget school starts at 8:55am. Please ensure you are on time!
Our Weekly attendance figure is as follows:
School: 93.9% National : 92.9%
 Well done to all our children that are here and on time!
