This Week...

WELCOME BACK!

We hope you have all had a lovely summer and are feeling refreshed to start a new academic year. It was lovely to see all the children back in school again after the Summer break, we missed you all, and we are particularly pleased to welcome our new EYFS children and their parents to our school family. All the staff here in school are excited to see what this year will bring and how much we can all achieve together. We are having our annual educational visits to Outdoor Elements over the coming weeks, which as you will be aware are enjoyed by the children immensely. We are delighted to see all the children looking very smart in their School uniforms and we would just like to remind you that all items of clothing need to be clearly labelled to avoid confusion over uniform, PE kits and book bags and to stop our lost property box from overflowing! I look forward to working with you all again this academic year.

God's Big Question

What makes you, YOU?

Worship

As we continue to grow as a school family and in our quest to establish parental involvement, we would like to welcome ALL parents to our Friday Celebration Worship. Previously, we invited parents whose children had achieved an award but we wish to widen this approach and look forward to seeing more of you in school.

Please also note class worship dates for this term.

20/09/23	Y6	11/10/23	Y2
27/09/23	Y4	18/10/23	Y1
04/10/23	Y5	22/22/23	Y3

Meet the Teacher

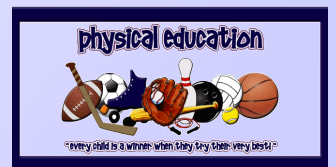

We are holding an informal 'Meet the Teacher' next week on Tuesday 12th September at 3:15-3:30pm. This is an opportunity for you to see your child's new teacher and ask any questions. You can find out more information about what your child will be learning throughout the academic year and about classroom routines, homework, assessments etc. Going forward, you can also head to our school website on your child's class page if you wish to find out any more information.

PE & Earrings

Thank you to those of you who have supported us in this matter and ensured that any ears were pierced promptly at the start of the holidays, ensuring that they could be removed when coming back to school. Please note however that, in line with our PE Policy and 'Safe practice in PE' Guidance' your child will not be participating in PE lessons if they are wearing earrings even if taped over with plasters. This is for the Health & Safety of your child and others.

Thank you for your co-operation.

Secondary School Admissions - Sep 2024

Reminder - parents of our Year 6 children, the deadline for applications for secondary school places this year is **October 31st 2023**. You need to apply on line at www.lancashire.gov.uk/schools.

Parent information packs are available on the above website. If you do not have access to the internet, you may request a paper copy from school. We strongly recommend that you visit as many schools as possible with your child so that you pick a school to meet your child's needs. Over the years several parents from our School missed the deadline and as a result were unable to get a school of their choice

School Website

I am pleased to announce that we have a new school website in place. It went live this week and I hope it reflects to the whole school community the Christian Values which our school is based upon. I hope you can understand that this is a lengthy process to build up and the new website will have new pages developed over time. Staff will shortly be given training on editing the website and eventually it will link with our School Facebook page and display a calendar of events. This will take time to develop fully, so please bear with us.

Thought for the Week....

What a wonderful start we have had to the new term in school. Eager faces which make our hearts full.
